Please see below to learn how to post to the discussion boards. 😊

The course listed below may not be the course you are enrolled in; however, this handout will teach you how to post to any discussion board in any course.

The screenshot shows the Aventa Learning interface. At the top left is the Aventa Learning logo. In the top right, there are navigation links: Home, Help, and Logout. Below these are course-specific tabs: Homeroom, My Tools, Teacher's Lounge, and Aventa S. The main content area is titled "Announcements" and shows a date range of "July 05, 2011 - July 12, 2011". A callout box with a black background and yellow text points to the "Discussion Board" tab in the left-hand course menu. The callout text reads: "Click on the Discussion Board tab" and "To enter the Discussion Board, click on the tab in the course menu (the buttons on the left-hand side of your screen)". The left-hand menu includes various options like Announcements, Staff Information, Eliminate, Orientation, Discussion Board, Discovery and Art, Music from the As, Novel Ideas, Cultural Evolution, Contemporary Voice, Resources, Assignment Help, Extra Credit, Recorded Lessons, Messages, VoiceBoard, Help Desk, and My Grades. At the bottom left, there is a "Tools" section with links for Communication, Course Tools, Course Map, Control Panel, and Refresh. The main content area features a graphic of a bell hanging from a roof structure.

Dear Students,

Please review the [Oral Report](#) before you post your work. If you choose to complete the Oral Report recording of yourself orally presenting your report (4-6 minutes in length). You should use the course Voice Board for your recording; directions for the Voice Board are posted in the "Resources" tab in the course.

Click on reply to leave a peer review for a classmate, or to reply to a post left for you.
